The screenshot displays the SPEED TRAC GLOBAL SERVICES web application. The header includes the company logo and navigation links: Home, Services, Resources, Management Team, Speed Events, and Speed History. A user greeting 'WELCOME! YOU ARE LOGGED IN' is visible in the top right. The main content area is titled 'Warehouse Tools' and contains a menu with 'ASN Entry', 'ORDER Entry', and 'Document Retrieval' (highlighted in red). Below this, there are radio buttons for 'Inbound (Receipts)' and 'Outbound (Orders)'. A 'Please Select Month' dropdown menu is set to '0709'. A 'List Files' button is located to the right. A table lists the retrieved files, with the first row circled in red.

The screenshot displays the Speed Trac Global Services website. The top navigation bar includes links for Home, Services, Resources, Management Team, Speed Events, and Speed History. Under 'Warehouse Tools', there are links for ASN Entry, ORDER Entry, and Document Retrieval. The Document Retrieval section shows options for Inbound (Receipts) and Outbound (Orders), with a 'Please Select Month' dropdown menu set to 0709. A table lists document files with columns for File Name and Creation Date. A blue arrow points from the text 'Click Open to view file' to the 'Open' button in the 'File Download' dialog box. The dialog box displays the file name '02-80285.pdf', type 'Adobe Acrobat Document, 93.8KB', and source 'web4.speedgs.com'. A warning message at the bottom of the dialog states: 'While files from the Internet can be useful, some files can potentially harm your computer. If you do not trust the source, do not open or save this file. What's the risk?' Below the table, there are 'Download' links for each file.
